

## The Board of Directors' statement pursuant to Chapter 19, Section 22 of the Swedish Companies Act

The Board of Directors proposes that the Annual General Meeting authorizes the Board, during the period until the next Annual General Meeting, to acquire a maximum of 398,493 own class B shares in the Company, whereby acquisitions may be made on Nasdaq Stockholm within the registered price range according to current rules.

The nature and scope of the Company's operations are described in the Articles of Association and published annual reports.
